Poliform

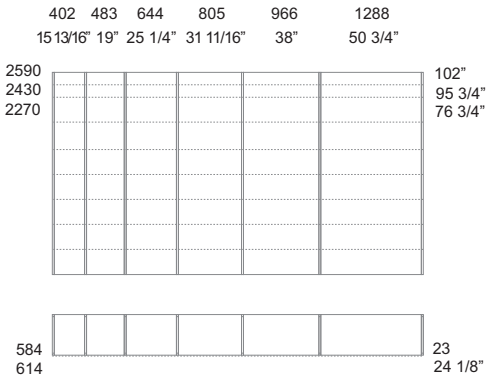
Ego system
The Ego system, which lateral side is the bearing frame enable to create compositions of wardrobes with some “open” spaces using leaf doors or folding doors or walk-in closets that have a very light weight.
For both uses the Ego system is completed with the internal equipment of the senzafine system.

Ego system, design Giuseppe Bavuso, 2008.

Ego wardrobe
To obtain the total width, add to the total columns mm 25/1” for the lateral side. For the wardrobes with doors the end panels are the same of the senzafine system
Ego walk-in wardrobe
To obtain the total width, add to the total columns mm 25/1” for the lateral side.

Finishing:
The structure and the equipments are available in the finishes melamine pine white and melamine walnut c.
The backs are available in melamine pine white, melamine walnut c. and extralight transparent glass 2000.
The doors are available in extralight transparent glass 2000, fumè glass 3050, frosted glass 1100, and reflecting transparent glass 5000.

Dimensions:



Ego side panel is available in 3 heights, mm 25/1” thick
