

Matrix kitchen design Paolo Piva e CR&S Varenna

A project with an aesthetic extremely essential, featured by great volumes and wide surfaces. It is targeted for a public looking for a kitchen of minimalist-contemporary style, which should be at the same time "important", with the availability of big spaces in which the elements are valorised.

Doors finishings:

Embossed lacquered, glossy lacquered.

Wood, eco canaletto, wengé, oak, dyed grey oak, eco ovangkol and eco ebano, c.walnut, siena oak, brown oak and spessart oak.

Scotch brite steel.

Satined and glossy glass. With aluminium frame PR16, anodised finishing
