

Minimal kitchen design Paolo Piva and CR&S Varenna

Minimal, design Varenna. A project defined by aesthetical rigor and extraordinary versatility of the composition. The integrated handle is the "personality element" for all the doors: a very distinctive visual rhythm to the compositions. The possibility to combine different materials and finishing gives to Minimal the ability to propose extremely original kitchen solutions of both strong character and endless styles.

Doors finishings:

Embossed lacquered, glossy lacquered, dyed open pore oak.

Wood, eco canaletto, eco ovangkol, eco ebano, oak, dyed grey oak, dyed wenge oak, siena oak, brown oak and spessart oak.

Scotch brite steel.

Satined and glossy glass. With frame PR15, finishings: oak, dyed grey oak, dyed wengé oak or mat lacquered oak open pores.
