

**Kyton kitchen design CR&S Varenna, 2009**

A plan that proposes a new vision of design combining versatility and concreteness: an increasingly more personalized kitchen, an ideal world of pleasure in simplicity. Kyton, design CR&S Varenna, is a kitchen expressing an evolved and informal living solution. The freedom to live one's personal space.

**Doors finishings:**

Lacquered: embossed and glossy

Wood: eco canaletto, oak, grey dyed oak, wenge dyed oak, siena oak, brown oak and spessart oak.

Glass: frosted and glossy.
